

EVENTS TO GET EXCITED ABOUT....if you want to get excited that is

1. January 16th, Wednesday

- **Vector Works Presentation** at 5:30pm in Walker 204
 - Representative from Vector Works is going to demonstrate the latest and greatest of Vector Works with the intentions of super impressing us so we will all want to convert (hmmmm....we will just have to see for ourselves) Sounds cool!! FOOD (burritos) and DRINK (soda) will be provided by Vector Works!!!

2. January 17th, Thursday

- **Professional Portfolio Night @ Steve's Pizza** in Davis at 6pm
 - Mix, mingle, and network with professionals in the area and find out what they are looking for in a portfolio as well as a new employee! Set yourself apart from the rest and get a heads up on job searching. Great for sophomores, juniors, and seniors!

3. January 19th, Saturday

- **Sacramento Zoo Design Charrette** (time and location to be announced)
 - Be apart of design brainstorming as we work together with professionals to create design options for the Sacramento Zoo. If you have never participated in a design charrette before then this is a must!! It is super fun, highly creative, and ..duh...there are wild, exotic animals to consider. *Let's carpool....send a message to Laura Podolsky to coordinate at lpodolsky@ucdavis.edu (she is definetly going)

4. February 7th, Saturday

- **Special Lecture: Children, Environment & Our Future**
Speaker is published author, Richard Lou. Held in Sacramento at Crest Theatre (1013 K St.) at 6:30pm, \$15
- Hear about strageties in creating places for children to connect with Nature
*Let's carpool....send a message to Laura Podolsky to coordinate at lpodolsky@ucdavis.edu (she is definetly going)

5. March 6th, Thursday

- **Movie Night: "Manufactured Landscapes"** (location and time to be determined)
 - A documentary about our relationship with the landscape pertaining to industry with a focus on China. Spotlights amazing photographer Ed Brutynsky who will be visiting our campus on March 13th! Super good!! Get stoked by checking out this YouTupe trailer of the documentary: <http://www.youtube.com/watch?v=Jv23xwe0BoU&feature=related>
*Resist renting it early and join your LDA folk as well as the rest of the school as we watch and trip out our minds

IF YOU COULD SEE INTO THE FUTURE..IT MAY BE FOGGY...BUT THIS IS WHAT YOU WOULD SEE.....

1. April 16th, Wednesday

- **Hunt Hall Design Charrette** focusing on a sustainable landscape for our new home at Hunt Hall (time and location to be determined)
- Students, faculty, and professionals come together to think about our future at Hunt Hall and make sure it represents what we stand for

2. April

- **Yosemite Trip with ASLA Sierra Professional Chapter**

3. May 7th and 8th, Wednesday and Thursday

- **Great Valley Center's Annual Conference** in Sacramento
“Green Momentum: Prospering in a New Economy”
- This conference tackles issues of growth and development, transportation, land planning, as well as many other major issues concerning the Central Valley and Sacramento Region which we must come together and start thinking about. A great opportunity to see what is going on NOW to help plan for the FUTURE. Take advantage of this event to explore different paths you can take with your professional career with your education in landscape architecture. Possibilities are endless.
 - May be possibilities to be a student volunteer and get in for free!!!
Details to follow

4. May 15th, **Professional and Student's Dinner**

- Location and time to be determined but everyone who went last year knows it is an event not to be missed! Good food and beverages, inspirational dinner speaker, raffle prizes, as well as getting “dressed up” with your mostly laid back studio crew for an evening of classiness!
